

Supportive Community

מועצה מקומית
זכרון יעקב

**Does it ever happens
to you that....**

When you have a leak or blockage...

And there is no one to help...

**When a light bulbs
burnes in the ceiling...**

And there is no one to help...

**when you don't
feel well...**

**And you don't have the strength to go to
the doctor**

or

Get your mediciness from the pharmacy

So...

That's why you need

The

Supportive Community

Supportive community

Supportive community

The supportive community is operated by Eshel, the Ministry of social affairs, the municipal social service department, and Tigbur – a commercial firm.

Supportive community

Purpose
